Grand Opening

Sat. 19th & Sun. 20th November

Full Time Opening

from Friday 25th November till 24th December

**Booking only required for groups  
i.e. Nurseries/Schools**

## Welcome to Winter Wonderland 2016

Hop on the Wonder Wagon and journey through Dalpatrick Farm where you can say hello to our donkeys Percy, Poppy, Pippa plus our new addition to the family, Primrose. See the live reindeer Rudolph and Dancer and the shepherd with his live sheep. Next on the journey, you will pass our bear cave. Look out for our bear Clyde who may be there to greet you with a special treat. The Wonder Wagon playing Christmas music continues its journey towards our animal enclosure where you will see our fabulous reindeer including Mr Jingles, Goulding's Star Attraction for 2016.

Look out for our talking Reindeer and his helpers. He will be waiting to entertain you before you board the Wonder Wagon.

When you arrive at the entrance to our indoor Winter Wonderland you will pass the Snowman family, Nativity Scene and Mrs Claus in her kitchen who is busy making mince pies for all. Look out for our giant Santa and sleigh - feel free to hop on as this is an excellent photo opportunity. You will then have the chance to see our reindeer, whether it be in the snow or in the woodland. Next stop is Santa who is waiting in his Grotto to welcome everyone and the children will receive a present of their choice. Each family will have their photograph taken with Santa and will be given the opportunity to purchase this when they enter the play area.

After leaving Santa you will enter the completely covered play area where you will find a Bouncy Castle (height restrictions up to 1m apply), merry-go-rounds and much more. Not forgetting the adults, included in your ticket is tea/coffee and a mince pie, available at our wonderland cafe.

Despite the vigilance of our trained staff it is advisable that whilst playing on the activities children are always supervised by adults. This will ensure that safety notices such as height restrictions are fully observed.

On leaving the play area you will enter our Christmas Shop with its varied range of decorations including baubles, ornaments and garlands. In addition, we have indoor/outdoor lights and illuminated Christmas figures, artificial and fibre optic trees and throughout December we will have a full range of freshly cut Scottish Christmas trees. Let Goulding's bring the magic of Christmas to your home.

Meet the talking post box and post your Christmas list to Santa.

Why not take a look through our Garden Centre? We have a fabulous range of Adult and Baby clothing, Indoor Furniture and our Gift and Homeware section is full of great gift ideas, and don't forget our Farm Shop for your festive treats, including Mulled Wine and delicious Shortbread.

We advise all families arrive before 4.30pm allowing children ample time to enjoy the many attractions.

Try to avoid peak times 1.30pm-3.30pm ( Sat & Sun only).

Last journey on the Wonder Wagon – 4.30pm sharp.

Weekends attract a high volume of visitors therefore it may become necessary to close the queue early.

Why not take advantage of our mid-week special and avoid our busier times? See prices and dates below.
